IMPORTANT NOTICE TO PROSPECTIVE BUYERS

Please read and familiarize yourself with the **TERMS AND CONDITIONS** of this sale. You will be bound by these **TERMS AND CONDITIONS** *whether you read them or not!*

Susie Reed, Thirty-Two Cattle Company (Sale Company), its associates and the auctioneers' function is to bring the buyer and the seller together.

ALL RESPONSIBILITIES AND GUARANTEES LIE BETWEEN THE BUYER AND SELLER

ERRORS. Every effort has been made to assure correctness of the catalog. The sales management and auctioneers are not responsible for error or omissions and assume no liability on its part as to any statements verbal or written regarding horses sold.

ANNOUNCEMENTS. In the case of typographical or other errors discovered in the printed sales catalog, the auctioneer will announce them and a memorandum will be kept of such corrections which takes precedence over printed matter in the catalog. **BUYERS ARE CAUTIONED TO PAY CLOSE ATTENTION TO THE AUCTIONEER'S ANNOUNCEMENTS.** In the event a horse possesses any defect or condition inconsistent with the limited warranties (*see LIMITED WARRANTIES section below*), **OWNER IS SOLELY RESPONSIBLE** for informing Sale Company of the same immediately, and in any event prior to sale of the horse, so that proper announcements disclosing the same can be made during the sale. **OWNER SHALL BE SOLEY RESPONSIBLE FOR ANY OMISSION OF ANNOUNCEMENT** under any and all circumstances.

TIE BIDS. The highest bidder will be the buyer and if a dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there is no advance, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases or by persons, who in his judgment, are not responsible bidders. The consignor shall have the right to pass out or no sale his or her horse. All consignors who no sale their animal must do so prior to the animal leaving the sale ring.

ALLEY SALES. Horses bought or sold on the "alley" (outside the sale ring) sell with no guarantee and no recourse through Susie Reed or Thirty-Two Cattle Company.

PAYMENT. Terms of sale are cash. Payment in full must be made to the cashier immediately after the sale. All payments shall be in U.S. Currency and on U.S. Banks only. Method of payment shall be Cash, Cashier's Check, Travelers Checks or approved bank check which has been verified and approved in advance by cashier and/or officers of Thirty-Two Cattle Company. **BANK DRAFTS WILL NOT BE ACCEPTED.** All payments must be made to Thirty-Two Cattle Company. **Any payment made by the buyer to the consignor or any other party will not be regarded as valid or entitle the buyer to delivery of the animal.** All "returned" or insufficiently funded checks will be immediately turned over to the Carter County District Attorney and charges will be filed.

REGISTRATION PAPERS. All papers will be withheld until payments clear the bank. Buyers paying cash may pick up papers day of sale. The Seller shall be responsible for American Quarter Horse Association Transfer Fees. Buyers shall be responsible for all other association transfer fees including, but not limited to APHA, PTHA, PHBA, etc.

RELEASES. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers must make arrangements for care of stock until it can be removed.

RESALES. If the highest bidder fails to immediately execute the Sale Ticket or otherwise fails to comply with the Sale Conditions or the published Settlement procedures, or in the event of a mistake by the auctioneer, Susie Reed, Thirty-Two Cattle Company reserves the option to thereafter resell the animal at the sale and such resale will terminate all obligations of Susie Reed, Thirty-Two Cattle Company and the consignor to honor any prior bid.

DEFAULT. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.

LIMITED WARRANTIES. The seller is the responsible party for all representations or warranties, expressed or implied, concerning the condition of any horse, and buyers should satisfy themselves concerning the condition of any horse they purchase. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Thirty-Two Cattle Company, the following (1) Title of the animal free from all adverse claims to ownership, use or possession; (2) The animal is sound of eyes and wind; (3) The animal is not a "cribber" or "wind sucker;" (4) The animal has not been nerved or have navicular disease, or is

founded; (5) The sex or condition as a gelding or ridgeling is as described in the sale catalog or announced at time of sale; (6) Any animal which at time of sale is described as a colt and does not at such time have two testes descended to the scrotum must be announced. Warranty with respect to descended testes does not apply to any horse sold prior to July 1 of his yearling year. If any of these conditions are announced, the consignor is held harmless for the condition. Except for the foregoing limited warranties, each animal is sold by the consignor **WITHOUT WARRANTY AND WITH ALL FAULTS**. Any other radiographic defect WILL NOT constitute right for refusal. Every horse is sold under this rule, therefore, no horse can be rejected by the buyer when struck off by the auctioneer.

ALL SALES ARE FINAL - NO RETURNS OR REFUNDS. All sales are binding. No horses are subject to return and no refunds shall be made except as stated in these terms and conditions (see *Buyer's Limited Right of Return*).

BUYER'S LIMITED RIGHT OF RETURN. Buyer's limited right to return any horse purchased shall be governed by the following terms and conditions: any horse sold in the sale which has a condition covered by limited warranties or that must be announced and which was not so announced shall be subject to return to Owner, with a refund of the purchase price if already paid, PROVIDED THAT WITHIN TWENTY-FOUR (24) HOURS AFTER THE TIME OF SALE AND BEFORE THE HORSE LEAVES THE AUCTION GROUNDS, OWNER RECEIVES WRITTEN NOTICE FROM BUYER AND A WRITTEN VETERINARY CERTIFICATE, based on examination by the certifying veterinarian, stating that such a condition exists and that the same existed at time of sale. Buyer or Owner shall submit a full copy of same written notice and veterinary statement to Sale Company. Buyer's right of return as set forth herein is contingent upon the horse being in materially the same condition as it was at the time of the sale.

VETERINARIANS. Local veterinarians are available should their services be desired. Pre-purchase veterinary examination is recommended. Any Buyer who fails to obtain a pre-purchase examination does so at Buyer's sole risk, and is subject to indemnity obligations because **ALL HORSES ARE SOLD "AS IS."**

BROODMARE - PREGNANCY STATUS. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal but are selling them as they are and without return privileges, unless otherwise specified. Any purchaser of a broodmare sold in this sale as **IN FOAL** to a stallion may have her examined **within 24 hours** after the fall of the hammer and **prior to removal from the sale premises** by a veterinarian acceptable to the undersigned. Any broodmare so examined whose pregnancy status is found not to be as represented at the time of sale may be returned to the consignor as unsold and the consignor shall pay the veterinarian's fee for examination and is liable for the commission as if sold. If the broodmare is found to be as certified, the purchaser shall pay the examination fee.

TITLE. Title to and risk of loss passes to the buyer when the animal is knocked off as sold by the auctioneer. Immediately after the horse is sold it will be the sole risk and responsibility of the buyer. Effective from the time of purchase, the buyer assumes responsibility for the maintenance and care of the animal. The buyer further agrees to indemnify and hold the consignor and Thirty-Two Cattle Company harmless from all loss, cost and expense arising from illness, injury or death of such animal, or loss or damage to property, and injury or death of persons, caused by the buyer, the buyer's agents or employees, or by the animal subsequent to the time of purchase.

CONSIGNEE STATUS. Thirty-Two Cattle Company is operating as an independent contractor regularly engaged in the business of conducting consignment sales. In the event of any dispute between the buyer and the consignor, Thirty-Two Cattle Company will occupy the position of agent for a disclosed principle and stakeholder and will be discharged from all obligations owing to the consignor or the buyer on delivery of any property or funds held by Thirty-Two Cattle Company to the court having jurisdiction of such dispute. Susie Reed, Thirty-Two Cattle Company makes no representation or warranty with respect to any animal and the buyer must look solely to the designated consignor for recovery of any damage by reason of the failure of any representation or limited warranty.

COGGINS TEST. All horses in this sale are to be tested negative for Equine Infectious Anemia (Coggins Test) within six months of sale date.

LIABILITY. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown or sold in the sale ring. All persons attending the sale do so at their own risk. Neither the owners nor any other person connected with this sale assume any liability, legal or otherwise, for accidents to persons or property, before, during or after the sale.
